#### **May 2021 Trail Maintenance Report**

Three volunteers worked Saturday morning May 8th to perform trail maintenance activities on the Perdido River Hiking Trail. A new member joined the trail maintenance! They travelled to Granny Jones / River Rd. intersection to start the work, going north. About 1 mile of trail maintenance was done. Gene brought a mower which cleared the trail quite well. The new member had never been to Gravel Landing before, so the members took her there afterwards to show that landing to her. The water was quite high during the day on the Perdido River. Another solid day of trail maintenance!
